Three clubs finished only 4 athletes see rule 3 below

3 In league fixture the first six eligible runners either male or female or a combination of both home will score for a club. A club may still complete a team with a minimum of four athletes. In such cases scoring will be last athlete to finish in the fixture plus one place if you have only five runner. Only four runners closing will result in last two athletes home plus two places. (**See example below)

3a (2002 AGM) No club may win the Division 1 title if they fail to finish a full 6 counters in all three league fixtures.
