1st. UNPLACED AWARD - M. McDevitt (7th)	

Andy Green's fourth win in this race (previously 88, 90, 93) retained his title. President of Northern A.A., J. C. Rice M.B.E., presented the Senior awards. He ran in this race over 60 years ago (aged 21). The winner ran behind the leading group on the initial small lap before taking control on the first of three large laps. Close team race decided by Warrington's last scorer John Keane in 38th place. C.E.P.A.C. packed well for bronze medals.

Thanks go to 'WATTERJACK' who again provided tee-shirts to the first 10 home. Four competitors would appear to have worn the wrong numbers and two others were not among the entries. At least the club recorders were honest about the latter.

Arthur King.
