1st. individual from unplaced club was:- R. Jones. (Wirral A.C.).

Following on from the record numbers in the League race at Arrowe Park, 264 finishers in the Senior Championship was again a new record. The numbers in the younger age groups showed an increase on the two previous seasons.

I had considerable difficulty compiling the latter part of the senior result sheet, mainly because of a guest runner, who should not have been in the race, and some incomplete recording envelopes. The judges sheet had no entry against 160 and showed that two runners wore No. 7, although one only was issued.

Two competitors in the younger age groups appear to have worn the wrong numbers. Some names shown on the recording envelopes were not among the entries.
