A disappointing turn-out in the Young Athletes races mainly due to schools events.

The Senior Race was not without incident. The eventual winner, Paul Wynn, deviated from the correct course when within sight of the finish, but the referee decided against disqualification. This was after consulting the Liverpool Pembroke competitor who was second and their team manager. Sportmanship it seems is not dead. The chief timekeeper did not give Wynn a finishing time. The results were further complicated by a runner who was recorded by the timekeepers but not by the judges and did not collect a tally. I witnessed him 'ducking' under the rope in the finishing tunnel. He was allowed to run by the referee who informed him he should not go through the finish. I have omitted his time 36 minutes 51 seconds from the result sheet and amended the times from positions 7 to 100 which I believe ensures that all competitors have their correct times. Positions 101 to 187 were not a problem. Tallies 15, 184 and 186 were not handed in.
