For the second time in three races a guest competitor was the first to cross the finishing line. Liverpool Harriers, St.Helens Sutton, and Warrington have each won a league race, but the consistency of Liverpool Pembroke over the three fixtures was rewarded with the League Trophy, previously held by Sefton Harriers.

Thanks to Eddie White and Mike Dooling of Liverpool Harriers for marking out the course and the officials for turning out on a cold day. Two finishing tallies, 133 and 171, were not handed in.
