

Croxteth Park 5k 24th April 2002

Thank you to all who either ran or helped out.

This was a new course and we had some issues which I hope we will overcome. I am addressing them. Apologies to all who never received their medals. This was my error and I will endeavour to correct this. If you are at the 10k this Sunday I will have the medals please ask at the late entries desk for your medal, or send me your details and I will forward it on to you.

Results are subject to scrutiny.

Please enter forthcoming 5ks in advance. We may well exceed our limit before the race day. You have been warned

Thank you once again

Robbie Wood
