

Croxteth Park 5k 20th May 2003

The entries dropped with the switch away from our normal Wednesday. We elected to hold this on a Tuesday because the corresponding fixture last season took place on the same day as school's athletic fixture in Ormskirk that we (LPS) also promote. To avoid such a clash this time we moved it a day forward only to find that the school's match had to be cancelled for reason out of our control. I think Wednesday would have been a more favourable day but hindsight is gift we do not have.

Sorry but I was unable to get any photos (too much else to do) Many thanks for supporting the event again.

see you all on Wednesday 25 June

I will update Series placing shortly. [PDF Results](#)
