

Croxteth Park 5k 26th June 2002

Thanks once again to all who turned out on what was a very wet night.

Congratulations to both Tim & Jenny on fine wins on a bad night for fast times. I gave out most of the prizes on the night if you think that you missed out let me know. One prize in each category both men & women

All of the recorders sheets got soaked and I have found it difficult to read them so please have a good look at the results. I will post out prizes to series winners over the coming week. Keep an eye on this web site for future promotions

Best wishes to all

Robbie Wood
