

Croxteth Park 10k 2001

Congratulations to Rob Berry and Sue Cooper, nice to see our friends from SWAC enjoying victories in yet another local event

A thank you to all runners and officials who helped make a success of this years event. An increase in on the day entries this year.

We ran short of medals but all those runners who never got a medal

had a reduction in their entry fee to reflect this. I hope more of you elect to enter before the day next year as it helps me in providing the correct amount of medals to purchase. It is never a correct science guessing on the day entries

Thanks to Joe McKenzie for the photos check out his [web site for coming events](#).

Next years race will be on 28 April 2002
